

Hand Pallet Truck 3 Ton

Hand Pallet Truck 3 Ton is a kind of light and small handling equipment, it has two fork-like inserting legs. Can be inserted into the free fork hole of the pallet. Hand Pallet Truck 3 Ton, There are two small-diameter walking wheels at the front end of the inserting leg. The cargo can be lifted by supporting the weight of the pallet cargo to make the pallet or cargo box leave the ground. This kind of Hand Pallet Truck 3 Ton is widely used in the loading and unloading of receiving and unloading stations or in various processes in the workshop. Handling operations without stacking.

1、 Introduction of the Hand Pallet Truck 3 Ton

It is suitable for operations in narrow passages and limited spaces. Hand Pallet Truck 3 Ton is an ideal tool for loading and unloading and handling pallet goods in warehouses, supermarkets, and workshops. Widely used, flexible and efficient. Hand Pallet Truck 3 Ton, Unique double-layer seal design, reliable and durable, Quick lifting, two pressure range forks can reach the bottom of the pallet, which can save you half of the time compared with the standard type, Hand Pallet Truck 3 Ton, Ergonomically designed rubber handle, comfortable and labor-saving, The unique integral stamping and forming Beetle fork, not only the strength is 25% higher than the ordinary fork, but also the appearance is more beautiful

2、 Product Specification of the Hand Pallet Truck 3 Ton

Capacity(ton)	2	2.5	3	5
Min fork height(MM)	80	80	80	80
Max fork height(MM)	200	200	200	200
Pump	AC	AC	AC	AC
Wheel	PU/Nylon	PU/Nylon	PU/Nylon	PU/Nylon
Fork size	1220*685/1150*550	1220*685/1150*550	1220*685/1150*550	1220*685/1150*550

3.Hand Pallet Truck 3 Ton Feature And Application

Hand Pallet Truck 3 Ton

Low-level manual hydraulic pallet truck

Low-profile vehicles are suitable for working occasions with low pallets and narrow spaces.

Galvanized manual hydraulic Hand Pallet Truck 3 Ton

The galvanized car cylinder adopts a leak-proof design. The exposed parts such as the frame, handles, and cylinders are all galvanized, equipped with stainless steel bearings, wear-resistant nylon wheels, and strong corrosion resistance.

All parts of the stainless steel car except wheels and seals are made of stainless steel

Suitable for cold storage and occasions with high cleanliness requirements, such as meat processing, dairy product processing, food processing industry, etc.

Stainless steel Hand Pallet Truck 3 Ton

The cylinders, frame, bearings, pins, bolts, etc. are all made of stainless steel.

Widely used in meat processing industry, food processing industry, dairy industry, etc. The running electric hoist is a running sports car added to the ordinary electric hoist, which can not only lift up and down, but also move left and right on the I-beam track. It is more suitable for larger use places such as major factories, warehouses, wind power generation, logistics, docks, and buildings. The operating type is more convenient to use, and the operating type of the electric hoist 2ton can be adjusted to reach directly above the heavy object without moving the heavy object, and the lifting work is more labor-saving.

4. Hand Pallet Truck 3 Ton Details

Hand Pallet Truck 3 Ton, Adopt Baosteel's high-quality 4mm steel plate, reliable welding strength without breaking point, Integral cast oil cylinder, the lowering speed of the oil cylinder is not affected by the load

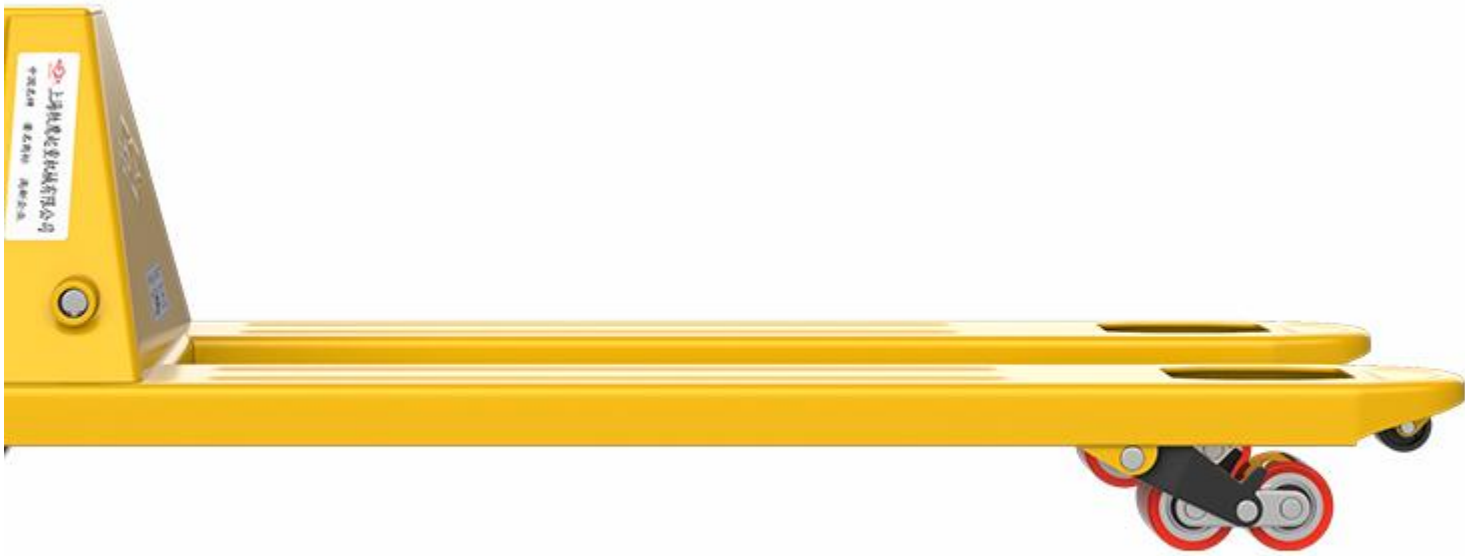

Imported sealing ring, chrome-plated piston rod, Hand Pallet Truck 3 Ton, Internal relief valve provides overload protection, effectively reducing maintenance costs

High-quality radial roller bearings are used in the connection of the rotating shaft, which is flexible and does not shake

Hand Pallet Truck 3 Ton, One-piece cast wheel frame and equipped with front and rear guide wheels to protect the matched wheels from impact and extend the life of the wheels

Conical arc fork design, quick and easy to enter and exit the pallet, The moving part is equipped with a wear-resistant guide ring, which absorbs the unbalanced load and prolongs the service life

The handle fork is equipped with rubber pads, which greatly extends the service life

5、 Product qualification

Shanghai Yiyong Crane machinery Company, Hand Pallet Truck 3 Ton. It is the most popular in Asia, America and Canada. It is beautiful, strong and durable. We promise the Hand Pallet Truck 3 Ton warranty is 2 years, and the hand cable is waterproofed, and we really welcome the traders around the world join in us.

6、 Deliver shipping and serving

Usually the production is completed in 3 days, and it can be made to order in an urgent manner, and the production is fully controlled, and the goods will be delivered in 3 days nationwide.

7、 FAQ

1. Is your products customized?

Yes. Due to different working conditions, all Hand Pallet Truck 3 Ton, are customized, depending on specific requirements, so if you can provide more information, we can prepare accurate solutions for you.

2. What information should I provide in my inquiry?

The more information you provide, the more accurate solutions will be ready for you! Information such as lifting height, lifting capacity, span, or other special equipment you provide will be very useful.

3. How many operations have I chosen?

The standard configuration we provide is a AC pump. For the forklift size we have 1220*685MM and 1150*550MM for your choice, wheel: PU and Nylon

4. My workshop space is limited. Can I use it?

For low headroom workshop, we have special Hand Pallet Truck 3 Ton. Our engineers will design the details for you.
